### ACKNOWLEDGEMENT TO THE REVIEWERS

The Editor and Associate Editors wish to acknowledge with sincere appreciation the assistance of the following reviewers who have generously contributed their time and efforts in the appraisal of manuscripts submitted to the special issue on International Conference on Thin Films and Applications (ICTFA-2012) for publication in Journal of Applied Sciences. These reviewers have not only been of inestimable help in assessing the merit of original articles but also, by their careful analysis and critique and their general and specific constructive recommendations, have often greatly enhanced the value of these manuscripts. The quality of the journal can be attributed in large measure to the quality of their effort. We are sincerely grateful.
