Erratum

Mapping of Protected Forests and Cultivated Area in North Luwu South Sulawesi, Indonesia "Published in Asian Journal of Applied Sciences 9 (4): 189-195, 2016"

Author regretted that the errors by author were found into this article. Some results are reported incorrectly in the original article. Corrections are shown in bold. The original article is the result of the development of the previous article entitled "Mapping Protected and Cultivation Zone in North Luwu, South Sulawesi, Indonesia, compiled by **Maru et al.**²⁴

In Materials and Methods section Page 190-191:

- Addition to materials that were used in this study were **Landsat image (2014)**
- The word "Grade" in Table 1 is changed to be **Gradient**
- The sources of Table 1, 2, 3 and 4 in the original article are "Rahim⁸" changed to be Ministry of **Forestry Decree⁶**
- The word "latosol" in Table 2 is changed to be **Litosol**
- The word "hari" in Table 2 is changed to be **day**

In Results Page 193:

- The sources of Table 5 in the original article are "Results of the data analysis, 2015," changed to: **Maru et al.**²⁵
- The sources of Table 6 in the original article are: "Department of Forestry, 2016" in original article, changed to be: **The result of data processing of Forest Statistics 2008-2014**
- The word "Luwu Utara" in the original article was changed to be: **North Luwu**

In Discussion page 194, In the discussion section, the following text appears "Based on analysis result which mentioned that after scored each data such as morphology, soil type and daily rainfall. Having obtained, if in this area (North Luwu) has three zone namely protected, buffer and cultivation zone (Fig. 4, Table 5)." This should read:

- **"Based on the results of satellite image analysis in 2014 together with thematic map data such as morphological data, soil type and daily rainfall, indicate that in North Luwu region has three zones namely protected zone, buffer and cultivation (Fig. 4, Table 5). Changes in land use in North Luwu for 2 years from 2012 to 2014 showed no significant change. This is indicated by the results of the study by Maru et al.²⁵ obtained through image-processing 2012."**
- The word "Anonymous⁶" in the discussion section is changed to be **Ministry of Forestry Decree⁶**.

In Acknowledgment page 195:

- The word "Enrekang" in the original article was changed to be North Luwu.

In References page 195:

- The word "Anonymous" in the reference No. 6 was changed to be **Ministry of Forestry Decree.**
