Appointment of New Editor-in-Chief of the Research Journal of Information Technology

Muhammad Imran

Academic Journals Inc., has great pleasure in announcing the appointment of Professor David Chek Ling Ngo as the new Editor-in-Chief of Research Journal of Information Technology (<http://academicjournalsinc.com/rjit>).

David Chek Ling Ngo is currently Professor and Deputy Vice-Chancellor (Research and Higher Degrees) at Sunway University. Prior to that he served as Associate Professor and Dean and of the Faculty of Information Science & Technology at Multimedia University and Professor and Dean of the Faculty of Computer Science and Information Technology at University of Malaya. He was awarded a BAI in Microelectronics & Electrical Engineering and PhD in Computer Science in 1990 and 1995 respectively, both from Trinity College Dublin. Being an IEEE Senior Member since 2006, Dr Ngo's research interests lie in the area of Aesthetic Computation, Biometric Encryption and Predictive Intelligence. He is author and co-author of over 100 invited and refereed papers and co-inventor on 3 patents pending. Partly based on his research and inventions, Dr Ngo co-founded 2 technology start-up companies Corentix Technologies and Tessen Computing. He is a member of the Editorial Board of the Journal of Universal Computer Science. He served as the guest editor of a special issue on pattern recognition in biometrics and bioinformatics for August 2005 issue of the Multimedia Cyberscape Journal. He is a member of the international panel of judges for a number of technology competitions and serves on several advisory boards and committees. He has conducted research and consulting work for the Asian Development Bank, including a 10-month assignment as International Consultant with General Department of Vocational Training (GDVT), Ministry of Labour, Invalids and Social Affairs (MOLISA), Vietnam, in 2003.
